## EDITOR'S MESSAGE

I deem it a rare privilege to be a member of the Indian Institute of Mass Communication Alumni Association (IIMCAA). The association is known for its proactive and constructive role in shaping the future media.

IIMCAA has its footprints across the world and its members have been influencing the media landscape through their leadership skills, ideas and innovation.

The members of the Alumni Association have made it a vibrant body, which can hugely contribute towards promotion of an inclusive and tolerant society, while upholding values for which India is known across the world. It is necessary to nourish and protect the idea of unity in diversity in this great nation.

The way IIMC alumni have kept themselves connected through its 18 chapters across India and 8 international chapters is amazing and it has strengthened the bond as well. This energy can be channelized to accomplish a lot for the betterment of the society.

It is natural to expect that IIMCAA members will continue to strive to ensure that the idea of freedom of press is upheld as it is a vital component of the Indian democracy. At the same time, as a writer and poet I feel that literary creativity should always be encouraged to make a nation great.

## PRESIDENT'S MESSAGE

Dear IIMCians,

It's time to Connect again. The 12th Connections Meet is here.

It is my honour, as the President of IIMCAA, to welcome our Chief Patron and DG of IIMC, Anupama Bhatnagar (IIS), who took charge in 2023. IIMCAA looks forward to working together with her.

An important milestone in IIMC's history is the grant of Deemed University status in Jan 2024. Congratulations to all for this achievement.

As IIMCAA and its movement of getting IIMCians to connect with each other gains momentum, we see new ideas, events and innovation. This year we plan to host two events – Connections and IIMCAA Awards. Given the scope and stature in which the IIMCAA Awards has grown, it was decided to hold the IIMCAA Awards ceremony as a special event.

We have made changes to many of our projects and we have been announcing those as and when we took the decisions.

I feel pleased to see the membership of IIMCAA growing. It is great to see that the momentum is not limited to just India but also chapters all over the world.

I request all of you to continue to connect with your batch mates, enrol yourself as a member, renew your membership and actively participate in IIMCAA activities. This gives us and specially the founding members a lot of happiness to see the seed they had sown give fruit.

As the IIMCAA President, this will be my first Connections Meet. Though I have been with IIMCAA for over 10 years in various capacities, I look forward to an eventful two year tenure.

I take this opportunity to thank all our sponsors who make this event possible every time. Thanks and loads of appreciation to my entire team that makes Connections possible once again.

Looking forward to a successful Connections 2024 and a flourishing IIMCAA in the coming years.

Best wishes

## PRINCIPAL ORGANISER'S MESSAGE

At the outset, I would like to thank the organizing committee for providing me an opportunity to serve as the Principal Organiser for the 12th IIMC Alumni Association's "Connections 2024". I am extremely happy to be associated with the IIMC Alumni Association, which has been growing by leaps and bounds since its formation.

IIMCAA aims to foster a sense of camaraderie amongst our esteemed alumni, providing a platform to reconnect, reminisce, and forge new connections. It will be an excellent opportunity to exchange ideas, share experiences and explore avenues for collaboration.

Everyone's presence and participation in this event is invaluable to us as we strive to strengthen the bond among the alumni and contribute to the continued success of IIMC. Together, let's build bridges that span generations and continents, enriching our collective experiences and leaving a lasting impact on our alma mater.

A dedicated team, immense resources and a lot of effort is required to run a forum of this repute. The entire managing team and associates need to be lauded for their consistent efforts over the years to take Connections to new territories. They should also be appreciated for mindfully expanding their reach and making each "Connections" successful every year.

I wish you every success and hope that we will be committed to the cause and further strengthen our bond & Association.

## GLOBAL MEET CONVENOR'S MESSAGE

It gives me immense pleasure to note that the reach of our Alma Mater is doing exceptional work from different global outfits in the USA, UK, UAE, Singapore, Bangladesh and Nepal. It has been reassuring indeed to see how around 20 Chapters across India, several International Chapters and a member base of over 1000 IIMCians from all walks of profession is an acclaimed journey. It speaks out loud to make IIMCAA a more accessible and vibrant community.

I am delighted to see how the contribution of each member in their professional domain expertise has been making a significant role as a bridge between different regional development and leading pathways of this superb journey so excellent and meaningful. We have seen how the humongous task of organising G20 with the lead role of our strong and resilient leadership has made a big impact in nurturing the diverse work culture and establishing a dominant positioning of India in the international arena.

There has been a pivotal role that our community plays in India and globally. While India is playing a unifier role in diverse segments, our community is setting the right tone. You are making communication with the right perspective and this is recognised way beyond.

As a part of this conversation I feel immensely delighted to welcome our alumni who would be gracing the meet. We look at them with a sense of pride and bonhomie. On behalf of all the fellow brothers and sisters, I wish you all a great time ahead in driving an independent as well as Indo-centric narrative in this ever changing World.

Hearty and warm wishes to you all !!

## INTERNATIONAL MEETS CONVENOR'S MESSAGE

Dear Fellow Alumni,

As we reflect on our journey beyond the walls of our alma mater, we are reminded of the shared experiences, friendships forged, and lessons learned that continue to shape our lives. Our time at the Indian Institute of Mass Communication has left an indelible mark on each of us, instilling values of perseverance, knowledge, and community. ## IIMC ALUMNI JUBILEE CELEBRATION COORDINATOR'S MESSAGE

Dear Alumni,

As the coordinator of our cherished Silver Jubilee Alumni Batch, I am overwhelmed with emotions as we are reuniting after 25 long years. For some of us, these connections have remained steadfast, but for others, this reunion marks the first time in a quarter-century that they will meet their batchmates once again.

Life has a way of keeping us busy, scattering us far and wide, yet our hearts have always remained tethered to the hallowed halls of IIMC. It is this enduring love and nostalgia that bring us together once more, to reminisce and celebrate the bonds forged in our student days.

I am thrilled to share that we've managed to reconnect with 91 batchmates for this special occasion. As we gather for the Connections 2024 in Delhi and other cities, we'll miss those who couldn't join us, but their spirits will be with us in this celebration of friendship and camaraderie.

This year marks the fourth Silver Jubilee celebration at 'Connections,' a testament to the enduring spirit of our Alumni Association and the profound impact IIMC has had on each of our lives. It is through initiatives like these that we continue to honour our alma mater and the memories that bind us together.

As we come together to laugh, reminisce and forge new memories, let us cherish this opportunity to reconnect with old friends and create new ones.

Here's to the enduring legacy of our beloved IIMC and the timeless bonds of friendship that unite us all.

## IIMCAA CARE FUND CHAIRMAN'S MESSAGE

### साथियों,

आप सभी इस बात से अच्छी तरह वाकिफ हैं कि हमने कुछ साल पहले इम्का केयर फंड के जरिए हमारे अपने संस्थान आईआईएमसी से पढ़कर निकले साथियों की मदद का प्रयास किया था. उस समय इस फंड के जरिए हमारा मुख्य उद्देश्य अचानक आई बीमारी की स्थिति में उन साथियों की आर्थिक सहायता करना था, जिन्हें इसकी सबसे ज्यादा आवश्यकता है. बीते वर्षों में, हमने अपने सामर्थ्य के अनुसार कई साथियों की मदद की है और इसकी हमें बेहद खुशी है. हमें अत्यंत संतोष है कि एलुमनी एसोसिएशन मुश्किल वक्त में अपने साथियों के साथ खड़े रहकर अपना फर्ज निभाने में सफल रहा है.

अब इम्का केयर फंड एक ट्रस्ट के रूप में पंजीकृत हैं. हमें मिलने वाली वित्तीय सहायता पर अब आयकर की धारा 80जी की छूट भी प्राप्त की जा सकती है. इसीलिए हमने अपनी गतिविधियों का दायरा भी बढ़ाया है और समाज के प्रति हमारी जिम्मेदारी को पूरा करने के लिए हम हरसंभव प्रयास कर रहे हैं. पिछले वर्ष हमने सर्दियों के मौसम में जरूरतमंदों के लिए गर्म कपड़ों को वितरित करने का अभियान चलाया. हमारे उत्तर प्रदेश चैप्टर के साथियों ने लखनऊ में तीन से चार दिन कैंप लगाकर जरूरतमंदों लोगों को गर्म कपड़े वितरित किए. इसी तरह हमने गुरुग्राम में एक स्कूल में बच्चों के बीच ऊनी वस्त्र और पढ़ाई सामग्री का वितरण भी किया. इसमें मिले सहयोग के लिए मैं सभी का दिल से आभार व्यक्त करना चाहता हूँ.

पहले की भांति मेडिकल सहायता का कार्य इस वर्ष भी जारी रहा. जून 2023 में 2013-14 बैच के एलुमनी सोना बाबू को 50,000 रुपये की वित्तीय सहायता प्रदान की गई लेकिन प्रभु ने उन्हें हमसे छीन लिया. हर वर्ष की तरह हमने पिछले बैच के विभिन्न कैम्पसों के 30 छात्र-छात्राओं को छात्रवृत्ति प्रदान की. प्रत्येक छात्रवृत्ति की राशि 25,000 हजार रुपए होती है.

आने वाले वर्षों में हम अपने कार्य और गतिविधियों के दायरे को और बढ़ाने का प्रयास कर रहे हैं. लेकिन सीमित आर्थिक संसाधन हमारे इस कार्य की गति को धीमा कर देते हैं. आप सभी इस बात से अवगत हैं कि इम्का कनेक्शंस में मिलने वाली स्पांसरशिप के एक हिस्से का योगदान केयर फंड में करता है लेकिन वो राशि हमारे कार्यक्रमों को सुचारु रूप से चलाने के लिए पर्याप्त नहीं है.

ट्रस्ट सदैव प्रयास करता है की अन्य स्रोतों से भी संसाधन जुटाए जाएं लेकिन मेरा सभी पूर्व छात्र और छात्राओं से अनुरोध है कि आप सभी अपने-अपने सामर्थ्य के अनुसार केयर फंड में योगदान करें ताकि हम अपने कार्यों के जरिए बेहतर योगदान दे सकें.

कनेक्शंस 2024 की आप सभी को शुभकामनाएँ।

## IIMCAA AWARDS 2024 CONVENOR'S MESSAGE

Dear Friends,

As the Convenor for Indian Institute of Mass Communication Alumni Association (IIMCAA) Awards 2024, I am thrilled to share some exciting updates regarding the 8th IIMCAA Awards 2024. Following the decision made during the Annual General Body Meeting in 2023, we are embarking on a journey of transformation and innovation for the IIMCAA Awards. This year will mark several significant firsts for our prestigious event, the first being a non-IIMCian being chosen as a convenor.

Communication, nostalgia, and evolution: the elements that define humanity. I've enjoyed connecting with many of you lately, and each conversation has left me nostalgic. It's strange to feel nostalgic for a place I never studied at, but over the last two decades, connecting with various alumni from the institute has made me feel like I belong there. It has also made me realize the longing to reconnect with my own batchmates from my alma-mater.

Time is strange; despite working in communication, we find ourselves disconnected from its more human aspects. Newspapers have been replaced by e-papers, family TV gatherings transformed into individualized entertainment on handhelds. Such is the nature of evolution. The Fourth Estate, once the bastion of truth and accountability, now finds itself engaged in a dynamic interplay with the Fifth Estate—a new force driven by the democratization of information through social media and technology. How we use today's knowledge and tech will shape the future.

Journalism was esteemed for its integrity, impartiality, and societal influence. Fast forward to today's rapidly evolving landscape, the traditional boundaries between journalism and activism have become increasingly blurred. We bear the responsibility as custodians of this power, and it is incumbent upon us to define the roles - for those who will follow.

And keeping with the essence of evolution this year, the IIMCAA awards, previously exclusive to IIMC alumni, are open to industry entries, marking it as an independent event apart from IIMCAA Connections. This expansion will enhance its prestige and scope. The awards ceremony scheduled after the General Elections, will have confirmed dates based on logistics. Entries shall open in June, with the awards tentatively scheduled for July-August.

Let us all strive to do our best!

Warm regards,

## GENERAL SECRETARY'S MESSAGE

Greetings to all the IIMCIANS!!!

It gives me immense pleasure to welcome you all to the 12th edition of our annual alumni meet, 'Connections 2024'. With the nascent steps taken in 2012, we have reached new heights with this edition of 'Connections'.

We are thrilled to connect with our seniors as we host the 4th edition of the Silver Jubilee Batch Celebrations (1998-99). Year after year, the Jubilee Celebrations have given us a chance to meet and greet our seniors and learn from their valuable experience.

As an association, we are evolving with each passing year and in the process, this year we have decided to hold a separate event for the 'IIMCAA Awards' due to the increased participation and their growing popularity in the industry. The event will take place later this year. We have also decided to put the 'IIMCAA Scholarship' on hold for now.

I express my sincere gratitude to all our sponsors and partners who have collaborated with us over the years and helped us make this event a success not only in Delhi but also across cities in India and abroad. IIMCAA is one of the finest examples of unity in diversity, where our chapters in India and abroad regularly meet and brainstorm on how to strengthen the connection with fellow IIMCians.

I would also like to urge more IIMCians to come forward and contribute to the growth of the association. As an active member of IIMCAA for a decade now, 'Connections' has been an enthralling experience for me and I am sure it has been the same for you.

So, this year, once again let's make it a vibrant evening.  
Let's Connect!!!

## AUDIT REPORT OF IIMC ALUMNI ASSOCIATION

The Members of **IIMC ALUMNI ASSOCIATION**

We have audited the accompanying financial statements of **IIMC ALUMNI ASSOCIATION**, which comprise the Balance Sheet as at March 31, 2023, and the Income and Expenditure statement for the year then ended, which are in agreement with the books of account maintained by the said Association.

### Board's Responsibility for the Financial Statements

Board is responsible for the preparation of these financial statements in accordance with the Income Tax Act, 1961. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by board, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements of **IIMC ALUMNI ASSOCIATION** for the year ended March 31, 2023 give a true and fair view:-

- i) in the case of the Balance Sheet, of the state of affairs of the IIMCAA as at 31st March, 2023;
- ii) in the case of the Income and Expenditure Account, of the deficit for the year ended on that date.

## Here's an ode to the father of advertising who was actually a woman from the middle east.

The craft of storytelling has been saving necks for a long time, or for at least 12 centuries as far as we know. It's a well documented fact that once upon a time, the brilliant Queen Shahrzad of Arabia spun long and winding tales, 1001 tales to be precise, to save her neck.

Every night, she would tell a twisted tantalising tale to her murderous husband King Shahryar who intended to kill her in the morning, but she would leave the tale unfinished at a crucial cliffhanger. The King would be forced to pardon her for yet another day, just so she could finish her tale, only to start another one. And so it went. Her storytelling kept her from turning into the next victim in a series of very sad and very dead wives. And that, we believe was the birth of Arabian Nights, or advertising as we know it to this day.

At August we too spin tales and tell stories to bring brands to life, be it traditional or digital media. With a hat tip to Queen Shahrzad.
