EDITOR'S MESSAGE

It is with great enthusiasm and deep gratitude that I present to you this latest edition of our IIMCAA Souvenir 2025. Each edition serves as a reflection of our collective journey, a chronicle of our aspirations, and a celebration of our ever-growing community. While we take pride in our achievements, we recognize that our path ahead is filled with possibilities, challenges, and the responsibility to adapt to an evolving media landscape.

The world of media and communication is undergoing an unprecedented transformation. The lines between traditional and digital platforms continue to blur, ushering in a new era of storytelling, dissemination, and audience engagement. With the advent of artificial intelligence, data-driven journalism, and the omnipresence of social media, the role of communicators has become more complex yet more impactful than ever before. Our responsibility, as media professionals, extends beyond reporting; it involves shaping narratives, fostering informed discussions, and upholding the integrity of public discourse.

At IIMC, we have always believed in fostering excellence while staying rooted in ethical journalism and communication. Our alumni, scattered across the globe, continue to redefine industry standards, bringing credibility, creativity, and commitment to their respective fields. It is our endeavor to stay connected, to support one another, and to create a network where knowledge is shared, and progress is collective.

In a world where information travels at lightning speed, the need for responsible journalism and credible communication has never been more critical. The freedom of the press is not just a privilege; it is a responsibility that must be upheld with diligence. While technological advancements have democratized media, giving voice to diverse perspectives, they have also introduced challenges such as misinformation and ethical dilemmas. As we embrace this transformation, we must ensure that our core values—truth, fairness, and inclusivity—remain uncompromised.

As we step into another promising year, I extend my best wishes to all our alumni, students, and media professionals. Let us continue to learn, evolve, and contribute to a media landscape that is dynamic, ethical, and progressive. The road ahead is exciting, and together, we can ensure that communication remains a force for positive change.

Wishing you all an inspiring and fulfilling year ahead!

Dear IIMCians,

It's time to connect again. We meet for the 13th Connections Meet in 2025.

Once again, we have the meet combined with the IIMCAA Awards. As the Awards are now open to all professionals, beyond IIMC alumni, this celebration is with a larger gathering to felicitate and honour the winners.

The membership of IIMCAA has grown in the past year and it makes us all immensely happy to see the alumni joining and becoming part of this movement. This momentum is not just limited to India but also spreads across our chapters all over the world.

I request all of you to continue to connect with your batchmates and alumni, enrol yourself as a member or renew your membership and actively participate in the activities of IIMCAA. This makes us and especially the founding members very glad to see Connections flourish.

I take this opportunity to thank all our sponsors who have been our constant support and make this event possible every time.

A big thank you to all our jury members, the Auditor, Convenor and the Awards team who make the IIMCAA Awards a success every time.

PRINCIPAL ORGANISER'S MESSAGE

कोलंबिया के यूनिवर्सिटी ऑफ मिचिगन में सन 1908 में जब विश्व का पहला पत्रकारिता संस्थान खोला गया तो इसके पहले डीन वॉटर विलियम्स ने (उनका मानना था कि पत्रकारिता का विधिवत शिक्षण एवं प्रशिक्षण होना चाहिए) सोचा ना होगा कि ठीक 57 साल बाद खोले गए, भारत के एक जनसंवार संस्थान के छात्र-छात्राओं की उपलब्धियों की अनवरत श्रृंखला से दुनिया भर के संवार एवं मीडिया संस्थानों की आंखें चौंधिया जाएंगी।

जनसंवार के विविध विषयों में, महज एक साल से भी कम समय का डिप्लोमा हासिल करने वाले इस संस्थान के पूर्व विद्यार्थियों ने, जनसंवार का ऐसा कोई क्षेत्र नहीं है, जहां अपने कदमों के निशान से नई लकीर न बना दी हो। अगर बेहद कंजूसी से भी कहा जाए तो भी शायद ही किसी को आपत्ति हो कि इस देश में जनसंवार के क्षेत्र में जो कुछ भी उत्तम और महान है, उसके अधिकांश का सृजन और पोषण 'इमका' के सदस्यों ने किया है।

हम सभी को इस बात का एहसास है कि तेजी से बदलते राजनीतिक-सामाजिक परिदृश्य में मीडिया की विश्वसनीयता पर कई चुभने वाले सवाल खड़े कर दिए गए हैं। भरोसा रखना चाहिए कि इन चुनौतियों के बीच, विश्वास बनाए रखने में भी हमारे सदस्यों की बड़ी भूमिका रहेगी। नई राह, चाहे जैसी भी हो, हमारे बीच से ही निकल कर आगे जाएगी।

आईआईएमसी की फिजाओं में कुछ तो है जो अनिर्वचनीय-रहस्यमयी है। एक बार यहां का हिस्सा हो जाने के बाद यह हमारी चेतना में हमेशा सांस लेता रहता है और हम सब इस संस्थान की सामूहिक स्मृतियों में सांस लेते रहते हैं। नासुमकिन है कि कोई बच के गुजर जाए, अपना दामन झटक ले! इस भावनात्मक बंधन को मजबूत करने में पिछले कई सालों से एलुमनी एसोसिएशन ने सराहनीय काम किया है। इस नावीज को किसी जिम्मेदारी के लायक समझा गया, इसके लिए इमका का शुक्रिया!

GLOBAL MEET CONVENOR'S MESSAGE

Dear IIMCians,

It is truly inspiring to see how our alumni network continues to grow, making an impact across industries and geographies. From leading global organizations to shaping conversations in media, governance, and corporate sectors, IIMCians are setting new standards of excellence. Our presence spans across continents, with thriving Chapters in various countries and cities, proving that the bonds formed at IIMC extend far beyond the classroom.

What makes our community unique is the diversity of its members and the shared passion that unites us. IIMC has always been a melting pot of cultures, bringing together individuals from different backgrounds, regions, and even countries. This rich exchange of ideas and perspectives has not only shaped our professional journeys but has also helped build a global network of storytellers, strategists, and changemakers.

Alumni gatherings are a reflection of this vibrant spirit. More than just reunions, they are opportunities to reconnect, collaborate, and celebrate the values that define us. Whether it's through mentorship, industry insights, or shared experiences, each interaction strengthens our community and keeps the IIMC legacy alive. The enthusiasm with which members come together—sometimes traveling great distances—is a testament to the deep-rooted connection we all share.

As we come together again, let's celebrate the journey, the achievements, and the future we continue to shape. The strength of IIMC lies in its people, and it is this collective energy that will drive us forward. Here's to new ideas, lasting friendships, and a commitment to excellence in all that we do.

Wishing you all a memorable and inspiring time ahead!

JUBILEE CELEBRATION COORDINATOR'S MESSAGE

Dear IIMC Alumni,

Warm greetings to each one of you!

As the calendar turns to February, I am filled with an overwhelming sense of nostalgia and joy as we approach a significant milestone in our lives—the reunion of the Silver Jubilee Batch of 1999-2000. As the coordinator of our Silver Jubilee Alumni batch, I feel immense excitement in inviting all my batchmates to our Alumni Meet on 23 February 2025, a day that promises to bring back cherished memories, laughter, and renew the unbreakable bond that we share among ourselves.

From the exciting and bustling corridors of the Delhi campus to the serene and invigorating environment of Dhenkanal, our time at IIMC shaped us in ways beyond imagination. The friendly debates, the impromptu chai sessions, meeting project deadlines, and the celebrations of achievements—each moment spent together has been an integral part of our journey.

Now, as we gather once again, let's rekindle the spirit of camaraderie, reminisce about those golden days, and celebrate the incredible journeys we have all embarked upon. This reunion is not just an event; it is an opportunity to reconnect, relive, and rejoice in the friendships and experiences that have stood the test of time. This year marks the fifth silver jubilee celebration at 'Connections', a testament to the enduring spirit of our alumni association and the profound impact IIMC has had on each of our lives.

I eagerly look forward to seeing each of you, sharing stories, and strengthening the bonds that make our IIMC family so special. Let's make this gathering an unforgettable one, just like the memories we hold dear.

IIMCAA CARE FUND CHAIRMAN'S MESSAGE

साथियों,

आईआईएमसी एलुमनी एसोसिएशन यानी इमका से जुड़े मुझे लगभग एक दशक हो रहा है। इस अवधि में बहुत उतार-चढ़ाव आया। लेकिन हमारे संगठन ने विपरीत परिस्थितियों में मजबूती से खड़े रहकर अपने साथियों के लिए काम किया है। आज हम इस मुकाम पर हैं जहां से हम अपने साथियों की हर संभव मदद करने में सक्षम हैं। अपनी इस यात्रा में हमें न केवल इमका के साथियों बल्कि समाज के जरूरतमंद लोगों की मदद करने की प्रेरणा भी मिली। इसी को ध्यान में रखते हुए हमने पहले मेडिकल फंड और बाद में इमका केयर फंड की स्थापना की, जो एक ट्रस्ट के रूप में काम करता है।

वाहे चिकित्सा संबंधी जरूरतों को पूरा करने के लिए मदद की आवश्यकता हो या समाज के जरूरतमंद लोगों की सहायता करनी हो, इमका केयर फंड लगातार इस दिशा में काम कर रहा है। इस वर्ष भी हमने अपने एक एलुमनी के इलाज में आर्थिक सहयोग प्रदान किया। हमारा प्रयास रहता है कि हम ऐसी स्थिति में अपने एलुमनी के साथ खड़े रहें। इमका के उत्तर प्रदेश चैप्टर के साथ मिलकर इमका केयर फंड ने लखनऊ में शीतकालीन शिविरों का आयोजन किया, जहां जरूरतमंद लोगों, खास तौर पर बच्चों और महिलाओं के बीच गर्म कपड़ों का वितरण किया गया।

इमका एक ऐसा मंत्र है जो हमारे एलुमनी को एक साथ लाने और उन्हें एक दूसरे के साथ जुड़ने का अवसर प्रदान करता है। इमका केयर फंड को मजबूत बनाने और ज्यादा से ज्यादा मदद करने के काबिल बनाने के लिए ट्रस्ट को आपके समर्थन और सहयोग की आवश्यकता है। मैं आप सभी से अनुरोध करता हूं कि आप इमका केयर फंड में योगदान दें और इसको लेकर एलुमनी के बीच जागरूकता फैलाने में मदद करें। आपका सक्रिय सहयोग हमें ज्यादा से ज्यादा एलुमनी की मदद के लक्ष्य बनाएगा और हमारे मिशन को सफल बनाने में मददगार साबित होगा।

IIMCAA AWARDS 2025 CONVENOR'S MESSAGE

Great work deserves to be seen, acknowledged, and celebrated. But recognition isn't just about winning; it's about setting a benchmark for the industries we represent.

The IIMCAA Awards do that by upholding integrity, fairness, and excellence, ensuring that those who push boundaries and drive impact get the credit they deserve.

This year, we doubled down on ensuring a transparent, rigorous judging process. Independent auditors oversaw every step, making sure that every entry, whether from public relations (PR), advertising, or journalism, was judged on merit alone.

In industries where credibility is everything, our awards must reflect the same principle. Every year, the quality of entries tells a story of its own. This year was no different. The depth of thinking, creativity, and sheer impact of the work submitted was remarkable. From powerful journalism that held a mirror to society to PR and advertising campaigns that sparked conversations and drove change — these entries showcased the best of what our industries can achieve.

One thing I noticed, though, is that we still need more participation, especially from PR and advertising agencies. There is outstanding work happening in these fields, and more agencies and creative teams should step forward — not just for the awards, but to showcase the work that is shaping their industries.

As we move forward, congratulations to all the winners — your work has set a high standard and inspired many. I hope to see even more bold ideas, impactful storytelling, and groundbreaking campaigns next year.

IIMCAA AWARDS 2025 COORDINATOR'S MESSAGE

It is with great pride and gratitude that I extend my heartfelt thanks to everyone who has been a part of the 9th IIMCAA Awards. Each year, we witness incredible talent, dedication, and creativity through the entries we receive, and this edition has been no exception.

To all the applicants—thank you for sharing your inspiring work and achievements. Your contributions continue to raise the bar and set new benchmarks for excellence.

A special note of gratitude to our Auditor, Convenor and Jury Members for their invaluable support in ensuring a fair and transparent evaluation process. Their commitment has played a crucial role in celebrating and recognizing outstanding individuals.

Recognition is not just about the accolades; it is about honouring dedication, inspiring others, and fostering a culture of excellence. As we look ahead, I encourage more participation in the coming years. If you know someone who deserves to be recognized, we urge you to encourage them to apply.

With the awards now open to individuals beyond IIMC, this is a fantastic opportunity to celebrate best across a broader community. So, spread the word and bring in deserving entries from your peers, colleagues, and industry leaders.

Here's to recognizing and celebrating brilliance, today and always!

GENERAL SECRETARY'S MESSAGE

Greetings to all the IIMCians!!

Time flies and we are now well into the 13th year of the annual alumni meet, Connections. In 13 years, the association has evolved and strengthened. We hope to grow by leaps and bounds in the years to come.

Connections is a forum which gives an opportunity to all of us to meet our seniors, juniors and batch mates. Silver Jubilee Celebrations is again one of the best ways to know our seniors and learn from their valuable experience.

We hosted a separate event for IIMCAA Awards in 2024 opening all categories for all professionals including non-IIMCians and the response was truly enthralling from all the sectors of our industry. This year we are re-uniting the Awards with Connections while keeping all categories open for all like 2024. IIMCAA Awards will remain open for all henceforth and we are looking to diversify the categories in coming years.

I would also like to thank our sponsors and partners whose support is immensely valuable and helps us make Connections a success not only in Delhi but also across cities in India and abroad.

IIMCAA is the platform where members meet and re-energise their efforts to make association stronger. I would encourage all the IIMCians to come forward and give an impetus to the growth of IIMCAA

As an active member of IIMCAA for more than a decade now, Connections has always been an enchanting experience for me and I am sure it rekindles the same passion within you.

Let's come together again this year and make it a memorable evening.

Let's connect and reconnect!!

AUDIT REPORT OF IIMC ALUMNI ASSOCIATION

The Members of **IIMC ALUMNI ASSOCIATION**

We have audited the accompanying financial statements of **IIMC ALUMNI ASSOCIATION**, which comprise the Balance Sheet as at March 31, 2024, and the Income and Expenditure statement for the year then ended, which are in agreement with the books of account maintained by the said Association.

Board's Responsibility for the Financial Statements

Board is responsible for the preparation of these financial statements in accordance with the Income Tax Act, 1961. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by board, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements of **IIMC ALUMNI ASSOCIATION** for the year ended March 31, 2024 give a true and fair view:-

- i) in the case of the Balance Sheet, of the state of affairs of the IIMCAA as at 31st March, 2024;
- ii) in the case of the Income and Expenditure Account, of the deficit for the year ended on that date.

Dr. Medini Prasad Roy

Hindi Journalism, Delhi
1988-89 Batch

Dr. Medini Prasad Roy spent nine years at JNU to earn a Master's, an M.Phil. and a Ph.D. and learn how to speak and what to speak but with no job at hand. He spent nine months at IIMC, New Delhi to learn how to write and what to write that is politically

acceptable, socially desirable, technologically feasible, financially viable, administratively doable, legally tenable, emotionally relatable, and environmentally sustainable and landed with a job through UPSC in 1991.

Dr. Roy had to cover a long distance of skies to reach up to IIMC leaving behind a remote village in Bihar without electricity and a mother widowed long ago. He was at Science College, Patna when he lost his father. Describing an emotional moment, Dr. Roy says, "I was crying. My mother, who was formally unlettered but endowed with a deep insight into life, also started crying. She was sobbing and saying, "If Indira Gandhi, a widow, can run a country, I can let my son continue with his education". He goes on to say, Marshall McLuhan didn't know crying is a medium of communication in India.

Dr. Roy is well into the fifth year of his retirement and still working with the PM Unit of PIB as a Consultant. He is strategically keeping the greyness of his hair intact and says "I know wisdom doesn't come late in India, it is recognized late!" Mark Tully once said, "Bad news for a journalist is that you hardly get rich but good news is that you never retire." A journalist deals in knowledge. Knowledge grows with your age and so grows your business. But beware of ChatGPT and DeepSeek!

PRODUCER OF THE YEAR

HARSHITA RATHORE, NEWSREEL ASIA

Her stories highlight an educational initiative uniting Meitei and Kuki-Zo youth in violence-torn Manipur, explores a Kuki-Zo leader's vision for peace, and captures the struggles of Burmese refugees in Mizoram. Through immersive storytelling and human-centered journalism, she brings overlooked voices to the forefront, making her a deserving winner.

Here's an ode to the father of advertising who was actually a woman from the middle east.

The craft of storytelling has been saving necks for a long time, or for at least 12 centuries as far as we know. It's a well documented fact that once upon a time, the brilliant Queen Shahrzad of Arabia spun long and winding tales, 1001 tales to be precise, to save her neck.

Every night, she would tell a twisted tantalising tale to her murderous husband King Shahryar who intended to kill her in the morning, but she would leave the tale unfinished at a crucial cliffhanger. The King would be forced to pardon her for yet another day, just so she could finish her tale, only to start another one. And so it went. Her storytelling kept her from turning into the next victim in a series of very sad and very dead wives. And that, we believe was the birth of Arabian Nights, or advertising as we know it to this day.

At August we too spin tales and tell stories to bring brands to life, be it traditional or digital media. With a hat tip to Queen Shahrzad.
